

Math Resources for Home:

Dreambox

Do you need support with Dreambox? Are your parents struggling with Dreambox?

Dreambox is hosting weekly Zoom meetings for both teachers and parents.
Feel free to share with parents or attend yourself.

Parents: Tuesdays at 10am: <https://dreambox.zoom.us/j/982192601>

Teachers: Thursdays at 10am: <https://dreambox.zoom.us/j/804718016>

To Access DreamBox on a Browser (Laptop/iPad):

Your student can access DreamBox Learning from any computer or internet-capable device, 24 hours a day, 7 days a week. All you need is a high-speed Internet connection. If you're using a browser, your student will visit the WakeID Portal. (<https://wakeid.wcpss.net>) Your student will use their WakeID and Student ID number to log in. **Please reach out to your child's teacher directly for their WakeID login information.**

Create your DreamBox Account to review your student's academic progress at home in your Family Dashboard. Please follow these steps to create your free account:

1. You will need your child's DreamBox school login information from their teacher to login for the first time.
2. Have your student login to their profile just as they would at school.
3. Click **Setup Parent Access** at the bottom of the page.
4. Follow the instructions provided to create a new login and password.
5. Read Terms of Use and Privacy Policy.
6. Click "Submit".

Log into your home account after setup:

1. Go to <https://play.dreambox.com>
2. Enter your email address and password.
3. To see student progress, click the "Family Dashboard" button.

Khan Academy Math

(Course challenges and unit tests can be used to accelerate through material. If you don't have too many gaps, you should be able to get through a previous year's content in 1-3 hours. If you do have gaps, it may take a bit longer, but this is your chance to fill in those gaps that might otherwise hold you back in the future.)
